Thank you for sending all of the pictures, they are definitely super helpful.

We'd love to be able to leave the side doors open and have a mannequin inside and some random posters lightly tacked up, as long as that sounds ok to you.

So excellent! Thank you. Can you give me the license plate or Vin #? And your address and phone for the contract?

Timing for drop-off and pick-up is flexible on our end as were here all day. Saturday, we'd just want enough time to remove all that we added.... So maybe noon ? But we can also nail down timing closer to the day of if that's helpful.

Thank you!

Jane- That sounds great. I do not have a contract, so you'll definitely have to provide that! I'll get the photos to you later today. \$2000 more for the mural.
Non damaging decorations would be totally fine. The mural is on one side.
I can drop it off and pick it up- what time works for you?
Thanks!

Thank you!! We'd love to see the back, front and interior. Is it painted on both sides? Are we able to do any (non-permanent, non-damaging) decoration to the inside and outside? Think hanging a fake spare tire on the back, some rope and tape on the fenders and bobble heads on the dash.

I imagine you don't have a contract you'd want us to sign, but I can have our legal team draw up a standard agreement that we'd be responsible for damage once you drop it off/before pick up.

Would you be willing to drop-off on Wednesday, Sept 12 and pick up on Saturday, Sept 15? Address is 1200 Park Ave, Emeryville. Would XXXXXXXX be agreeable for that time XXXXXXXX x

I am too excited about this!

Oh, Sweet Cicely, thank you for getting back to me! The event is a one day music festival/activity day for Pixar employees and families. Your van would just be a show

piece and not used in any way other than a visual prop. Totally understand about being careful, we will definitely take great care!

The dates are pretty specific: Our event is Friday, Sept 14. Does that work? We'd potentially be looking at getting it the day before and then returning the day after. Would you be willing to deliver?

Are you able to send me some additional photos of the van? We've only seen the side, which just blew us away!

Let me look into that pricing and contract with our legal department. We are used to more [REDACTED] but I see this is definitely more specialized.

Thank you so!

Hey! That's awesome! I HAVE been asked before for rental- but it never came to fruition.

I would ask [REDACTED] as well as a contract stating any damage, if it were to happen would be compensated for. It is an older vehicle and needs to be handled with kid gloves! Let me know what you think, and some more specifics about your event.

Thanks so much!

Hello sweet c daniher,

In an effort to make the Vendor set up a quick and simple process, the required forms are provided to you electronically.

1. Click the "View Documents" link below to begin the process. This system will help you navigate the documents prompting you to complete all the required fields.

2. Follow the yellow buttons and prompts on the left side of the screen. For example, the yellow "Next" button will move the cursor to the next required field. There is logic built into the documents so entering data or responding to questions may determine what fields are required at later points in the document. When all the required fields are complete, you will be asked to 'electronically' sign the documents.

3. Once done click the 'Finish' button and the documents will be sent to the appropriate resources to complete the set up.

If you have any questions please contact Kacy Naylor at XXXXXXXX@pixar.com.

And thanks for info about the mattress. I'll see what they decide.

Thanks!!

Hello! I've attached an invoice, let me know if I've missed anything.

As far as the Monday filming, the mattress is removable, the frame is built in. Removing the mattress would allow a bit more headroom, so it might work. I would happily arrive without the mattress if you'd like.

Thanks so much!

Hi Sweet Cicely!

Hope your week is going well. I checked in with Emily and she said you've gotten all of your paperwork in, so thanks! We're processing that.

The next thing we'll need from you is an invoice. Will you send one through including your address, an invoice number and total amount? [REDACTED]

As for my ask about Monday afternoon: Our team debating a bit if the bed in the back of the van would be too much in the way of a filming set up (It can't be removed easily, right?). If they are still wanting to do the drive around/film, are you still available to do that and have us "cash in" the credit for the day we didn't use? [REDACTED] since we agreed on that.]

Thank you so much!
